A School Families Love!

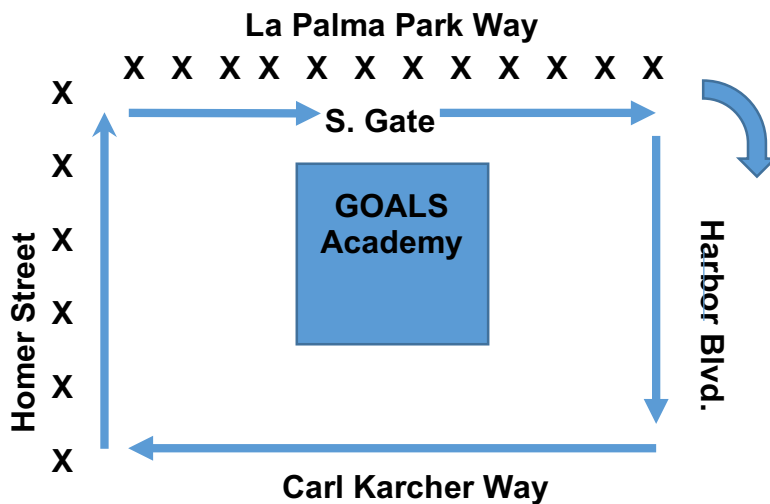

December 9, 2016

Dear Parents/Guardians of GOALS Academy Scholars:

When we return from Winter Break on **Monday, January 9, 2017**, our north parking lot/playground will be freshly painted for our scholars to use for various play activities. To decrease the wear and tear on the lines and to keep our scholars safe, we are changing the north side of the school (Carl Karcher Way) to be walk-in/walk-out only and the south side of the school (La Palma Park Way) to be vehicle drop-off/pick-up only. Here are the details:

- The walk-in gate on the north side will continue to be coded, and it will be unchained beginning at 7:30 a.m. The code will only be shared with the families and staff of GOALS Academy. During the Winter Break, the code will be changed to **XXXX**.
- The gate on the south side will only be open to parents dropping off and picking up their scholars. In the morning, the gate will be open from 7:45 to 9:00 a.m. In the afternoon, it will be open from 3:00 to 3:15 p.m.
- The line-up for dropping off and picking up scholars will follow an L-shape along Homer Street and La Palma Park Way. A staff member will be at the south gate to greet and open vehicle doors. Here's a diagram representing this pattern, with the X symbolizing vehicles.
- It's important that your scholar does not exit your vehicle before or after the GOALS Academy Drop-Off/Pick-Up Zone. Also exits from the vehicle need to occur on the passenger side (right side) of the car.

As is true of any changes, this modification in procedures may initially cause a bit of confusion and unexpected issues. However, in the end, we feel it will be an improvement on multiple levels.

Sincerely,

Debra J. Schroeder
