Dear Parents/Guardians of GOALS Academy Scholars:

As a public charter school, we are prepared to provide for your children everything they need to succeed in school. However, many parents are willing to donate instructional supplies, which helps our school's budget. The cost savings permit us to offer more enrichment opportunities (e.g., Visual and Performing Arts, STEM, field trips, instructional assistant support, etc.). If you are able to donate some or all of the following supplies, we would be very appreciative.

SUPPLY LIST

- 2 or more plain colored pocket folders – TK/kindergarten and 1st grade
- 1 inch white binder with clear pocket in front – 1st through 6th grade
