

# Super Sight Words

## Dolch Sight Words

Please practice these words every night. Your child will be tested weekly to pass the **reading** of them. If they pass a list, they will have a star sticker by it. The spelling of the word will be tested on spelling test.

### Group 1

all at am ate are be

### Group 2

out black brown pretty ran but

### Group 3

ride saw came did do say

### Group 4

so she eat four soon get

### Group 5

that good have there he into

### Group 6

this too like must new under

### Group 7

want was well no now on

Group 8

what went our            yes            with    who

Group 9

white    after will            let    live    may

Group 10

again of            old            any            as            ask

Group 11

once by    open            couldput            over

Group 12

every            fly            from round            some stop

Group 13

them had            going give            take thank

Group 14

has            then            her            were him            his

Group 15

think walk just            know when            how
